*Defendant*

**Information for the Court**

On Friday, May 15<sup>th</sup>, 2026, I received a letter, dated 05-07-2026, from the U.S. Department of Justice (DOJ) expressing about my October 8<sup>th</sup>, 2025 claim the DOJ received on October 17, 2025. The DOJ letter says that I did not state a “sum certain” amount, and thus, the claim is rendered invalid. I did, in fact, state on my claim form in section 12d. a sum certain amount of “\$1 trillion = estimated amount to be taken seriously,” so the assertion of the claim being rendered invalid is not valid. The letter next says about not being able to understand the involvement of the Federal government. Enough was included on my standard form (SF-95) to enable understanding of the Federal government’s involvement if reviewing with adequate reading comprehension because my SF-95 included seven claims, along with supporting material. The letter then requests for me to provide the name of the Federal agency that allegedly caused me harm, but I already did that, too, on my SF-95 form because I specified the United States being vicariously liable for Trump, the Trump administration, and the White House.

The letter then states that I should send a revised claim to this paralegal specialist of the Civil Division, Torts Branch. I am not going to revise my SF-95 form and am going to reiterate my SF-95 form, as I have been doing for more than the past six months. My SF-95 form going unaddressed for more than six months is a significant factor because in the time passage after the six months, and with the situation involving myself and the United States being so important and urgent, I made a Federal Court law case on 04-24-2026 (U.S. District Court for the Eastern District

of Pennsylvania, 2:26-cv-02712-JP). Following, I made two motions. One motion was for Mediation, filed 05-04-2026, and the other motion was to Take Care of Professional Aspects, filed 05-06-2026. The Court issued a Summons on 05-07-2026, and following, I filed a Proof of Service of the Summons along with my full Complaint, filed 05-15-2026.

By when I received this DOJ May 7<sup>th</sup>, 2026 letter on 05-15-2026, this Federal Court law case was already established. I am, therefore, not going to revise my SF-95 claim form. I disagree with the insinuation of my claim being invalid, and I reiterate the validity and importance of my seven claims on my SF-95 form, along with everything else I have expressed in my supporting materials and in my complaint.

Re: Administrative Tort Claim for Joseph Mallon

Dear Mr. Mallon:

This is in response to your administrative tort claim dated October 8, 2025, which you submitted to the Department of Justice (Department). The Department received the claim on October 17, 2025. I have examined your claim, and it lacks a sum certain, thus rendering it invalid. In addition, I cannot determine the Federal government's involvement. Please provide the name of the federal agency (not state, local, or county) that has allegedly caused you harm.

You should submit your revised claim to me at the following address:

Ms. Hope L. Swann  
Paralegal Specialist  
Torts Branch, Civil Division  
U.S. Department of Justice  
Post Office Box 888

Because your claim is invalid, this office cannot process it. Therefore, I am returning it to you.

Very truly yours,

A handwritten signature in blue ink that reads "Hope L. Swann".

Part 1 – Wednesday, October 8, 2025

I am sending this communication again because you at the White House did not yet respond. You did not work out anything yet.

What about doing something like having an urban planner talk to me about arranging events I mentioned about?

I request a report be made to me to inform me of the status of my claims concerning the United States.

Look at my materials. Obviously, I have a lot to do and that I want to do. Trump and the Trump administration are making it so that nothing can be done, and the time is just going by being wasted. That is being caused by nothing relevant being done yet, nothing involved being worked out, and no money directly involved being paid yet. Nothing can be done with nothing instead, and there is not supposed to be nothing instead.

I want, demand, and require this week's pay this week.

You have been acting non-mutually, not cooperating, and not facilitating. In so doing, you have been causing me much aggravation, extra work, and to go much longer. You have been making me have to fight against you and everyone else. I am supposed to be rewarded and honored, and I am supposed to be pleased with what I see.

I should not have to fight against everyone or anyone. I should not have to explain any further, and I should not have to go any longer without a sufficiency on the part of the United States and people associated with the United States. I am a good person and a successful person. There is no right to ruin my good traits or my success, including most especially with and concerning the United States.

I report Harvard Law School is violating my claims 2 and 7. Harvard Law School is ignoring communication I make to Harvard Law School, and Harvard Law School is not communicating while my claims are active and requiring functional communication. Harvard Law School is thus causing the time to go by with a deficiency of progress concerning my claims 2 and 7. The situation on Harvard Law School's part is also contemptuous and defamatory. These violations are resulting from the United States not doing its work involving my claims 2 and 7 concerning Harvard Law School. The United States is liable for these claims violations. The United States is requested to do something about these violations and correct them.

My claims are long overdue at being advanced. With my claims advanced, of course, the situation would be good for me and with me. That is what I have rights to and expect to see. I have already been through a very long time, so I want to see progress and improvement in the present times. I want to be treated like I am a very important person and be honored as I am supposed to be in regard of my extraordinary societal merits involved.

You at the White House, including Trump and the Trump administration, have not worked out anything yet or paid any of the money due or owed. I have claims concerning the United States. I report violations and a deficiency on the part of the United States resulting from Trump and the Trump administration.

Part 2 – Wednesday, October 8, 2025

From now on we will take a \$1 million portion of the United States money due me and make a fund of God's Miracle Cross money currency. Each dollar or cross has the value of \$1. Gold or other items are valued according to their value in dollars and crosses. The United States as a nation owes me my \$1 million and the backing of the value of my \$1 million in the form of crosses (God's Miracle Crosses currency), regardless of Trump, the Trump administration or anyone or anything else. The God's Miracle Crosses and Faces currency is not crypto currency and is authentic United States and Universal money – currency, fully backed by government powers and divine life forces according to the values. The United States as a country has a duty to provide its security for functioning and investing of my \$1 million fund and for additional investors from anywhere in the world to invest securely into this universal currency fund. This funded \$1 million is a starting point and declared by law

with valid authority concerning the United States. Consider this declaration hereby ordered.

Most financial accounts in the United States send out status reports at least quarterly if there is not account activity, and if the account has activity, status reports are sent out monthly. The United States has gone far longer than monthly or quarterly without sending status reports, and when the accounts have had activity. I request the monthly status reports from the United States immediately.

I want my money today. You owe me money. I demand money that is owed and due me. I am supposed to be honored. What about the United States fulfilling some of its responsibilities?

In accord with my claims 2 and 7, I contacted Harvard Law School. You here at the White House and of the Trump administration should have contacted Harvard Law School first on my behalf, but you did not, and I was not going to wait longer. If anyone from Harvard Law School contacts you here at the White House in reference to anything involving me, I request you treat the person respectfully and that you honor everything involved. My materials must be accessible on request, and appropriate communication and functioning must be active. You should have money matters handled and able to be handled adequately concerning Harvard Law School.

I request an accounting of my money the United States owes me. The United States must state at least some of the money the United States owes me and that I would confirm. The money can be considered pursuant to my claims concerning the United States.

With some of my money the United States owes me, I request \$1 million be set for Harvard Law School to work on my S.J.D. degree being bestowed to me. This money has to be immediately set for fees that Harvard Law School has. No money is to be paid to Harvard if Harvard Law School does not do the work involved with me earning my S.J.D. degree from Harvard Law School.

Pursuant to my claim number 4 concerning the United States, I want another million dollars immediately paid to me. I want to get my finances together with this \$1 million. I want to pay off my house. I need a new car. I want to go to a few stores comfortably.

Pursuant to claim number 1, I want \$1 million to be set for expenses with the Republican National Committee as the RNC is working with me to increase the knowledge and awareness of God's Miracle Cross concerning the United States, including through the past more than 30 years.

I also heard that SEPTA (Southeastern Pennsylvania Transportation Authority) needs money right now. I request \$1 million be set aside for SEPTA to advertise God's Miracle Cross on its public transportation vehicles throughout southeastern Pennsylvania. This project will help the United States with claim number 1 in terms of God's Miracle Cross being nationally worked with concerning the United States.

Part 3 – Wednesday, October 8, 2025

I want another few million dollars to go to claim number 6. I am allocating \$3 million to the United States supporting and promoting healthcare research. Specifically, I want \$2 million to go to regenerative stem cells research, and I want \$1 million to go to regenerative kidney stem cells research.

I want another \$1 million pursuant to claim number 1. I want to sponsor some events throughout the country. Knowledge and awareness of God's Miracle Cross will be increased. Some of these events need to be arranged in the immediate times. Events that are already around can be worked with, and God's Miracle Cross can be added. There can be new events, too, that are unique to God's Miracle Cross. These events can be of various types, such as business, festive, sports events, or seasonal events. The funding is needed for hiring staff, hiring performers, paying for food to be served, for decorations, advertising, and for souvenirs.

At least \$1 million of my back pay must be immediately paid to me. My professional position concerning the United States has to be straightened out pursuant to claim number 4.

I request the specified \$9 million be set immediately for the purposes I stated and pursuant to my claims concerning the United States.

My claims are not worked through yet. I am not seeing a sufficiency right now. I request communication immediately.

I have claims concerning the United States and have been reporting about them through this whole year of 2025.

I report violations of Claim 7 and Claim 2. The United States is liable for violations of the claims because these are claims concerning the United States. What is the United States going to do about violations?

I myself have enough to deal with the United States and every country of the world.

I declare my rights pursuant my claims.

#### Requested Money for United States to Immediately Set

I request that in accord with my United States claim number 5, \$500 million be immediately paid to me in the form of an annuity, which is a fixed deferred annuity with a 10-year accumulation period, estimated at more than doubling my money before annuitizing if I choose at the end of the 10-year accumulation period.

I request that in accord with my United States claim number 2, \$500 million be immediately paid to me in the form of a variable annuity, which is a deferred variable annuity and has a 10-year accumulation period.

\$500,000,000 University of Phoenix, Claim 5, Fixed Deferred Annuity
