Time of Enlightenment

As all signs are with their cultured forms.

The atmosphere uplifts to skies.

The bliss sets course of orbits,

as God does works through years.

Doors are now open for a time of enlightenment.

Enlightenment

Enlightenment

Tranquilness with comprehension

Compassion with heart's faithfulness,

Far passed deceit and mockery,

Wealthful active life that's wanted.

Magic divine envisioning,

Reach a soul's full realization.

See there’s bright light; see there’s bright light here, there’s bright light here.

See there’s bright light; see there’s bright light here, there’s bright light here.

See there’s bright light; see there’s bright light here, there’s bright light here

See there’s bright light; see there’s bright light here, there’s bright light here

See there’s bright light; see there’s bright light here, there’s bright light here

See there’s bright light; see there’s bright light here, there’s bright light here

[Glows make the heat nice.]

[Glows make the heat nice.]

Allow in the mind, to see there’s light here now.

[Best retain wise facts passed on.]

[All must reach a truth kept of a deep universe.]

Yeah,

Allow in the mind, to see there’s light.

[Allow in the mind], now see there’s light.

Always this way…right…

[Glows make the heat nice.]

[Glows make the heat nice.]

Now just allow in the mind, to see there’s light here now.

[Here’s a dawning, Years pass each sunset.]

Now allow in the mind, to see there’s light here.
