The RNC knows I am here. The RNC has the job to add to people knowing and supporting me for the U.S. Presidency now and continuing. If the RNC does not do its job, I will hold the RNC with contempt, defamation, and insubordination, only because these charges are what the RNC would be doing. I should be mentioned as much, if not more, than anyone, such as J.D. Vance or anyone else. Myself - Joseph Mallon, More than 30 years of advisory to the White House and the RNC; <https://www.godsmiraclecross.com/realm>

The RNC knows I am here. The RNC has the job to add to people knowing and supporting me for the U.S. Presidency now and continuing. The RNC is not being meritorious or successful by not communicating with me. The RNC has presented nothing to me yet. The RNC has nothing handled or worked out yet. Is the RNC supposed to be an unworthy, ignorant, and unsuccessful organization?
