ORDER

This 19th day of November, 2026, it is hereby **ORDERED** that Plaintiff's pending motion, ECF 35, is **DENIED**. As set forth in previous Orders in this case, the Plaintiff cites no legally cognizable basis for the relief he seeks. This Court appreciates the Plaintiff's preference for negotiation and mediation, but, as previously noted, mediation requires the participation of a Defendant with a willingness to engage in mediation.
