

## Part 1 – Month of October 1<sup>st</sup> to 31<sup>st</sup>, 2025

I request for my team to be set with the United States. The United States is supposed to be mutual and facilitative and is supposed to be on the same side as me. The United States is not supposed to be in opposition to me and is supposed to enable other people to be on my side or my team when I have very many rights, credentials, merits, and important issues requiring advancement and honor. The United States is supposed to enable people to be on a right team. As is known here, my side spans the past more than 30 years and includes this whole year of 2025, has not been dealt with or rewarded yet, and is requiring to be dealt with, rewarded, and honored.

High level important materials were in the White House since the beginning of this year and current U.S. Presidential term, but Trump and the Trump administration left the material neglected and excessively requiring through the year into the end of October 2025. An SF-95 form had to be and was done. In the meantime, through this year while the important material was left neglected, Trump enriched himself and his circles by billions of dollars as everyone else was left without any increase or opportunities. Next Trump proceeded at demolishing the East Wing of the White House to make a Ballroom there instead. This Ballroom is designed like a golf club resort or hotel dining area, a conference area, an auditorium, an entertainment area, and a ceremony area with many arrangeable tables and overhead lighting. The cost was said to be \$300 million. There were some contributors said to be a few major companies.

First of all, on behalf of the United States, and pursuant rights of my claims and official position of Director of the U.S. Department of Sovereignty, I declare the United States government of America as having eminent domain rights to everything involved with this Ballroom, that was formerly the East Wing of the White House. The company contributors cannot buy and do not have any ownership rights to the White House Ballroom or to the White House.

Everything was done on this White House Ballroom project as the mentioned official material was sitting in the White House and with the involved issues and people requiring. An excessive amount of time went by with the material present, requiring, and accumulating, and something else, such as making a \$300 million Ballroom of the White

House East Wing was not supposed to be done instead, so natural investment and contribution is declared and must be officially recognized as much, if not more, than the company contributors. To set a monetary amount on this intrinsic cost, would be \$100 million, so instead of \$300 million, this Ballroom costs \$400 million. This additional \$100 million is considered already paid for and from now to completion and functioning of the Ballroom.

The White House must declare some relevant names in addition to the company contributor names. Names that must also be declared include God's Miracle Cross, Joseph Mallon, and the United States Department of Sovereignty. In these directions, credit of the \$100 million earned and accumulated contribution must be acknowledged in honorable ways.

Furthermore, as a worthy way for this Ballroom to always be producing positive money for the United States and its worthy contributors, partners, and citizenry, an honor pay must be distributed at least quarterly. This honor pay can be in the form of dollars and cents currency or crosses and faces currency. The dollars and cents currency is United States of America currency, and the crosses and faces currency is God's Miracle Cross universal currency promulgated by the United States of America. An official payment system must be kept set to use for making direct deposits into appropriate financial accounts.

Part 2 – Month of October 1<sup>st</sup> to 31<sup>st</sup>, 2025

These inclusions are requested by good will and honor. If these inclusions are not administered, eminent domain rights are still declared and requiring enforcement and other uses of this Ballroom will be advanced as soon as possible. Any bad faith actions will negate the good will and may require a subtraction or penalty amount. Intent must always be proper and in a right way.

I just have to add in here that the situation seems strange or suspicious that a billionaire who has nothing to do with the American military would contribute \$130 million to the Pentagon for American military members to get paid during the U.S. government shutdown. This billionaire previously contributed to a group to find the Amelia Earhart plane. Then

later this billionaire sued the group to get the contribution back. He considered the group as having falsely induced him to make the contribution. He said they previously found the plane and hid that fact to continue to obtain contributions, such as his. This group did not find the plane previously. This plane has not yet been found as of the end of October 2025. What he thought happened may have happened recently with his latest contribution. Trump and the Trump administration did not have grounds for inducement of contributions of millions of dollars to the Pentagon for American military members' pays, especially when the Pentagon has to finish paying for the Qatar gift plane modifications and, hopefully, without the illegal Qatar military airbase and, at most, only civilian airbase in Idaho.

I want to see, among other things, the official agreements, the relevant people doing the work involved, the media coverage, the websites, the accounts, and the increases I am supposed to be seeing. I am saying that as the time goes by without a sufficiency in directions of my claims, damages and injustices are being caused by who is causing this situation, and who would have to be considered as being Trump and the Trump administration and for which the United States has vicarious liability. I hereby order and demand everything I already have stated, including my high ranking U.S. government sovereign authority, and an official adding on to the SF-95 form of a national honor obligation the United States has to pay to God's Miracle Cross of a \$1 million or \$1 billion honor per day (according to the amount Congress decides under my authority) as the current time since October 23, 2025 goes by until there is a sufficiency regarding my claims concerning the United States. I require evidence of my United States claims being secured and advanced.

I sent a completed SF-95 form. I complained that damages and injustices have been being caused to me by my claims concerning the United States not being appropriately or adequately worked on by people who were supposed to be associated with the United States and to do work on behalf of the United States. By leaving my claims concerning the United States unadvanced, the SF-95 form continues being caused to progress. If advancing my claims and rights pursuant my claims, as is herein expressed, furthering the SF-95 claim form lessens.

Part 3 – Month of October 1<sup>st</sup> to 31<sup>st</sup>, 2025

The United States has these American finances lingering not taken care of through this whole year of 2025 but takes money from the U.S. Treasury and buys billions of dollars of pesos from Argentina. Argentina markets soar - prosper while the U.S. markets remain dragging and run down after an excessive amount of time.

The country of Qatar establishing a military airport in Idaho is illegal and unauthorized. The United States military does not need Qatar assistance for air force fighting and does not need to increase lethality. Even if the Pentagon signs off on a Qatar military airport, the Pentagon is not the U.S. Department of Sovereignty and does not have rights to authorize sovereignty of the United States. Qatar military airport in Idaho is rejected. At most, if full efforts and wants, a Qatar civilian airport in Idaho is possible but strictly for only civilian—peaceful—purposes.

Each day has importance, and a season is an era, an age, and an eternity to people.

I am sending this communication again because you at the White House did not yet respond. You did not work out anything yet.

What about doing something like having an urban planner talk to me about arranging events I mentioned about?

I request a report be made to me to inform me of the status of my claims concerning the United States. If I see a below successful status, I will charge more penalties and will support people additional to myself charging relevant penalties, and I will not rule out law cases in U.S. courts whenever such relevant law cases are possible in U.S. courts.

Look at my materials. Obviously, I have a lot to do and that I want to do. Trump and the Trump administration are making it so that nothing can be done, and the time is just going by being wasted. That is being caused by nothing relevant being done yet, nothing involved being worked out, and no money directly involved being paid yet. Nothing can be done with nothing instead, and there is not supposed to be nothing instead.

I want, demand, and require this week's pay this week.

You have been acting non-mutually, not cooperating, and not facilitating. In so doing, you have been causing me much aggravation, extra work, and to go much longer. You have been making me have to fight against you and everyone else. I am supposed to be rewarded and honored, and I am supposed to be pleased with what I see.

I should not have to fight against everyone or anyone. I should not have to explain any further, and I should not have to go any longer without a sufficiency on the part of the United States and people associated with the United States. I am a good person and a successful person. There is no right to ruin my good traits or my success, including most especially with and concerning the United States.

I report Harvard Law School is violating my claims 2 and 7. Harvard Law School is ignoring communication I make to Harvard Law School, and Harvard Law School is not communicating while my claims are active and requiring functional communication. Harvard Law School is thus causing the time to go by with a deficiency of progress concerning my claims 2 and 7. The situation on Harvard Law School's part is also contemptuous and defamatory. These violations are resulting from the United States not doing its work involving my claims 2 and 7 concerning Harvard Law School. The United States is liable for these claims violations. The United States is requested to do something about these violations and correct them.

Part 4 – Month of October 1<sup>st</sup> to 31<sup>st</sup>, 2025

My claims are long overdue at being advanced. With my claims advanced, of course, the situation would be good for me and with me. That is what I have rights to and expect to see. I have already been through a very long time, so I want to see progress and improvement in the present times. I want to be treated like I am a very important person and be honored as I am supposed to be in regard of my extraordinary societal merits involved.

You at the White House, including Trump and the Trump administration, have not worked out anything yet or paid any of the money due or owed. I have claims concerning the United States. I report violations and a deficiency on the part of the United States resulting from Trump and the Trump administration.

From now on we will take a \$1 million portion of the United States money due me and make a fund of God's Miracle Cross money currency. Each dollar or cross has the value of \$1. Gold or other items are valued according to their value in dollars and crosses. The United States as a nation owes me my \$1 million and the backing of the value of my \$1 million in the form of crosses (God's Miracle Crosses currency), regardless of Trump, the Trump administration or anyone or anything else. The God's Miracle Crosses and Faces currency is not crypto currency and is authentic United States and Universal money – currency, fully backed by government powers and divine life forces according to the values. The United States as a country has a duty to provide its security for functioning and investing of my \$1 million fund and for additional investors from anywhere in the world to invest securely into this universal currency fund. This funded \$1 million is a starting point and declared by law with valid authority concerning the United States. Consider this declaration hereby ordered.

Most financial accounts in the United States send out status reports at least quarterly if there is not account activity, and if the account has activity, status reports are sent out monthly. The United States has gone far longer than monthly or quarterly without sending status reports, and when the accounts have had activity. I request the monthly status reports from the United States immediately.

I want my money today. You owe me money. I demand money that is owed and due me. I am supposed to be honored. What about the United States fulfilling some of its responsibilities?

In accord with my claims 2 and 7, I contacted Harvard Law School. You here at the White House and of the Trump administration should have contacted Harvard Law School first on my behalf, but you did not, and I was not going to wait longer. If anyone from Harvard Law School contacts you here at the White House in reference to anything involving me, I request you treat the person respectfully and that you honor everything involved. My

materials must be accessible on request, and appropriate communication and functioning must be active. You should have money matters handled and able to be handled adequately concerning Harvard Law School.

#### Part 5 – Month of October 1<sup>st</sup> to 31<sup>st</sup>, 2025

I request an accounting of my money the United States owes me. The United States must state at least some of the money the United States owes me and that I would confirm. The money can be considered pursuant to my claims concerning the United States.

With some of my money the United States owes me, I request \$1 million be set for Harvard Law School to work on my S.J.D. degree being bestowed to me. This money has to be immediately set for fees that Harvard Law School has. No money is to be paid to Harvard if Harvard Law School does not do the work involved with me earning my S.J.D. degree from Harvard Law School.

Pursuant to my claim number 4 concerning the United States, I want another million dollars immediately paid to me. I want to get my finances together with this \$1 million. I want to pay off my house. I need a new car. I want to go to a few stores comfortably.

Pursuant to claim number 1, I want \$1 million to be set for expenses with the Republican National Committee as the RNC is working with me to increase the knowledge and awareness of God's Miracle Cross concerning the United States, including through the past more than 30 years.

I also heard that SEPTA (Southeastern Pennsylvania Transportation Authority) needs money right now. I request \$1 million be set aside for SEPTA to advertise God's Miracle Cross on its public transportation vehicles throughout southeastern Pennsylvania. This project will help the United States with claim number 1 in terms of God's Miracle Cross being nationally worked with concerning the United States.

I want another few million dollars to go to claim number 6. I am allocating \$3 million to the United States supporting and promoting healthcare research. Specifically, I want \$2 million to go to regenerative stem cells research, and I want \$1 million to go to regenerative kidney stem cells research.

I want another \$1 million pursuant to claim number 1. I want to sponsor some events throughout the country. Knowledge and awareness of God's Miracle Cross will be increased. Some of these events need to be arranged in the immediate times. Events that are already around can be worked with, and God's Miracle Cross can be added. There can be new events, too, that are unique to God's Miracle Cross. These events can be of various types, such as business, festive, sports events, or seasonal events. The funding is needed for hiring staff, hiring performers, paying for food to be served, for decorations, advertising, and for souvenirs.

At least \$1 million of my back pay must be immediately paid to me. My professional position concerning the United States has to be straightened out pursuant to claim number 4.

I request the specified \$9 million be set immediately for the purposes I stated and pursuant to my claims concerning the United States.

My claims are not worked through yet. I am not seeing a sufficiency right now. I request communication immediately.

I have claims concerning the United States and have been reporting about them through this whole year of 2025.

I report violations of Claim 7 and Claim 2. The United States is liable for violations of the claims because these are claims concerning the United States. What is the United States going to do about violations?

I myself have enough to deal with the United States and every country of the world.

I declare my rights pursuant my claims.
