I request \$1 million be set aside for SEPTA to advertise God's Miracle Cross on its public transportation vehicles throughout southeastern Pennsylvania. This project will help the United States with claim number 1 in terms of God's Miracle Cross being nationally worked with concerning the United States.

I want another few million dollars to go to claim number 6. I am allocating \$3 million to the United States supporting and promoting healthcare research. Specifically, I want \$2 million to go to regenerative stem cells research, and I want \$1 million to go to regenerative kidney stem cells research.

Part 1 – Thursday, September 18, 2025 - PM

Where is the money? You of the White House did not pay any of the money yet. According to the media, Trump is enormously profiting from crypto currency with his family members while all these financial matters are being neglected. Trump wealth went from an estimated \$4 billion in 2024 to \$7.3 billion this year in September 2025 by using the United States resources to manipulate the crypto currency in favor of the Trump family and businesses. Everyone else was left out of everything and not provided with any offers or opportunities or even paid money that was owed or due, such as herein expressed.

I want my money today. You owe me money. I demand money that is owed and due me. I am supposed to be honored. What about the United States fulfilling some of its responsibilities?

In accord with my claims 2 and 7, I contacted Harvard Law School. You here at the White House and of the Trump administration should have contacted Harvard Law School first on my behalf, but you did not, and I was not going to wait longer. If anyone from Harvard Law School contacts you here at the White House in reference to anything involving me, I request you treat the person respectfully and that you honor everything involved. My materials must be accessible on request, and appropriate communication and functioning must be active. You should have money matters handled and able to be handled adequately concerning Harvard Law School.

I request an accounting of my money the United States owes me. The United States must state at least some of the money the United States owes me and that I would confirm. The money can be considered pursuant to my claims concerning the United States.

With some of my money the United States owes me, I request \$1 million be set for Harvard Law School to work on my S.J.D. degree being bestowed to me. This money has to be immediately set for fees that Harvard Law School has. No money is to be paid to Harvard if Harvard Law School does not do the work involved with me earning my S.J.D. degree from Harvard Law School.

Pursuant to my claim number 4 concerning the United States, I want another million dollars immediately paid to me. I want to get my finances together with this \$1 million. I want to pay off my house. I need a new car. I want to go to a few stores comfortably.

Pursuant to claim number 1, I want \$1 million to be set for expenses with the Republican National Committee as the RNC is working with me to increase the knowledge and awareness of God's Miracle Cross concerning the United States, including through the past more than 30 years.

I also heard that SEPTA (Southeastern Pennsylvania Transportation Authority) needs money right now. I request \$1 million be set aside for SEPTA to advertise God's Miracle Cross on its public transportation vehicles throughout southeastern Pennsylvania. This project will help the United States with claim number 1 in terms of God's Miracle Cross being nationally worked with concerning the United States.

I want another few million dollars to go to claim number 6. I am allocating \$3 million to the United States supporting and promoting healthcare research. Specifically, I want \$2 million to go to regenerative stem cells research, and I want \$1 million to go to regenerative kidney stem cells research.

Part 1 – Sunday, September 21, 2025

You at the White House, including Trump and the Trump administration, have not worked out anything yet or paid any of the money due or owed. I have claims concerning the United States. I report violations and a deficiency on the part of the United States resulting from Trump and the Trump administration.

From now on we will take a \$1 million portion of the United States money due me and make a fund of God's Miracle Cross money currency. Each dollar or cross has the value of \$1. Gold or other items are valued according to their value in dollars and crosses. The United States as a nation owes me my \$1 million and the backing of the value of my \$1 million in the form of crosses (God's Miracle Crosses currency), regardless of Trump, the Trump administration or anyone or anything else. The God's Miracle Crosses and Faces currency is not crypto currency and is authentic United States and Universal money – currency, fully backed by government powers and divine life forces according to the values. The United States as a country has a duty to provide its security for functioning and investing of my \$1 million fund and for additional investors from anywhere in the world to invest securely into this universal currency fund. This funded \$1 million is a starting point and declared by law with valid authority concerning the United States. Consider this declaration hereby ordered.

I want my money today. You owe me money. I demand money that is owed and due me. I am supposed to be honored. What about the United States fulfilling some of its responsibilities?

In accord with my claims 2 and 7, I contacted Harvard Law School. You here at the White House and of the Trump administration should have contacted Harvard Law School first on my behalf, but you did not, and I was not going to wait longer. If anyone from Harvard Law School contacts you here at the White House in reference to anything involving me, I request you treat the person respectfully and that you honor everything involved. My materials must be accessible on request, and appropriate communication and functioning must be active. You should have money matters handled and able to be handled adequately concerning Harvard Law School.

I request an accounting of my money the United States owes me. The United States must state at least some of the money the United States owes me and that I would confirm. The money can be considered pursuant to my claims concerning the United States.

With some of my money the United States owes me, I request \$1 million be set for Harvard Law School to work on my S.J.D. degree being bestowed to me. This money has to be immediately set for fees that Harvard Law School has. No money is to be paid to Harvard if Harvard Law School does not do the work involved with me earning my S.J.D. degree from Harvard Law School.

I also heard that SEPTA (Southeastern Pennsylvania Transportation Authority) needs money right now. I request \$1 million be set aside for SEPTA to advertise God's Miracle Cross on its public transportation vehicles throughout southeastern Pennsylvania. This project will help the United States with claim number 1 in terms of God's Miracle Cross being nationally worked with concerning the United States.

I want another few million dollars to go to claim number 6. I am allocating \$3 million to the United States supporting and promoting healthcare research. Specifically, I want \$2 million to go to regenerative stem cells research, and I want \$1 million to go to regenerative kidney stem cells research.

I request the specified \$9 million be set immediately for the purposes I stated and pursuant to my claims concerning the United States.

I reiterate violations of my Claim 7 and Claim 2. I communicated to Harvard Law School myself. I emailed plenty of information, including more than 5 letters. Nothing was regarded as being necessary to work further on or work out by Harvard Law School. After a few times of Harvard referring to looking into the S.J.D. program and its application available next year in 2026 for the Fall season of 2026, and myself giving a reasonable time line of 30 days, which was until September 21, 2025, Harvard Law School ignored my communication, did not communicate back to me, and would not and did not communicate further to me, despite my valid and requiring active claims with the United States. I report this violation of my Claim 7 and Claim 2 and request the United States to do something about it.

My direct communication to Harvard Law School was emailed to deansoffice@law.harvard.edu, jdadmiss@law.harvard.edu, and gpquery@law.harvard.edu.

For copies of the emailed letters directly sent to Harvard Law School, see <https://www.godsmiraclecross.com/realm>, Letters to Harvard Law School (HLS), 08/11/2025, 08/14/2025, 08/21/2025, 09/02/2025, 09/03/2025, and 09/21/2025.

The White House, Donald Trump, Trump Administration, and United States,

Part 1 – Tuesday, September 23, 2025 and on Until Settled

You have been acting non-mutually, not cooperating, and not facilitating. In so doing, you have been causing me much aggravation, extra work, and to go much longer. You have been making me have to fight against you and everyone else. I am supposed to be rewarded and honored, and I am supposed to be pleased with what I see.

I should not have to fight against everyone or anyone. I should not have to explain any further, and I should not have to go any longer without a sufficiency on the part of the United States and people associated with the United States. I am a good person and a successful person. There is no right to ruin my good traits or my success, including most especially with and concerning the United States.

My claims are long overdue at being advanced. With my claims advanced, of course, the situation would be good for me and with me. That is what I have rights to and expect to see. I have already been through a very long time, so I want to see progress and improvement in the present times. I want to be treated like I am a very important person and be honored as I am supposed to be in regard of my extraordinary societal merits involved.

You at the White House, including Trump and the Trump administration, have not worked out anything yet or paid any of the money due or owed. I have claims concerning the United States. I report violations and a deficiency on the part of the United States resulting from Trump and the Trump administration.

From now on we will take a \$1 million portion of the United States money due me and make a fund of God's Miracle Cross money currency. Each dollar or cross has the value of \$1. Gold or other items are valued according to their value in dollars and crosses. The United States as a nation owes me my \$1 million and the backing of the value of my \$1 million in the form of crosses (God's Miracle Crosses currency), regardless of Trump, the Trump administration or anyone or anything else. The God's Miracle Crosses and Faces currency is not crypto currency and is authentic United States and Universal money – currency, fully backed by government powers and divine life forces according to the values. The United States as a country has a duty to provide its security for functioning and investing of my \$1 million fund and for additional investors from anywhere in the world to invest securely into this universal currency fund. This funded \$1 million is a starting point and declared by law with valid authority concerning the United States. Consider this declaration hereby ordered.

I want my money today. You owe me money. I demand money that is owed and due me. I am supposed to be honored. What about the United States fulfilling some of its responsibilities?

In accord with my claims 2 and 7, I contacted Harvard Law School. You here at the White House and of the Trump administration should have contacted Harvard Law School first on my behalf, but you did not, and I was not going to wait longer. If anyone from Harvard Law School contacts you here at the White House in reference to anything involving me, I request you treat the person respectfully and that you honor everything involved. My materials must be accessible on request, and appropriate communication and functioning must be active. You should have money matters handled and able to be handled adequately concerning Harvard Law School.

Part 2 – Tuesday, September 23, 2025 and on Until Settled

I request an accounting of my money the United States owes me. The United States must state at least some of the money the United States owes me and that I would confirm. The money can be considered pursuant to my claims concerning the United States.

With some of my money the United States owes me, I request \$1 million be set for Harvard Law School to work on my S.J.D. degree being bestowed to me. This money has to be immediately set for fees that Harvard Law School has. No money is to be paid to Harvard if Harvard Law School does not do the work involved with me earning my S.J.D. degree from Harvard Law School.

Pursuant to my claim number 4 concerning the United States, I want another million dollars immediately paid to me. I want to get my finances together with this \$1 million. I want to pay off my house. I need a new car. I want to go to a few stores comfortably.

Pursuant to claim number 1, I want \$1 million to be set for expenses with the Republican National Committee as the RNC is working with me to increase the knowledge and awareness of God's Miracle Cross concerning the United States, including through the past more than 30 years.

I also heard that SEPTA (Southeastern Pennsylvania Transportation Authority) needs money right now. I request \$1 million be set aside for SEPTA to advertise God's Miracle Cross on its public transportation vehicles throughout southeastern Pennsylvania. This project will help the United States with claim number 1 in terms of God's Miracle Cross being nationally worked with concerning the United States.

I want another few million dollars to go to claim number 6. I am allocating \$3 million to the United States supporting and promoting healthcare research. Specifically, I want \$2 million to go to regenerative stem cells research, and I want \$1 million to go to regenerative kidney stem cells research.

I want another \$1 million pursuant to claim number 1. I want to sponsor some events throughout the country. Knowledge and awareness of God's Miracle Cross will be increased.

At least \$1 million of my back pay must be immediately paid to me. My professional position concerning the United States has to be straightened out pursuant to claim number 4.

I request the specified \$9 million be set immediately for the purposes I stated and pursuant to my claims concerning the United States.

My claims are not worked through yet. I am not seeing a sufficiency right now. I request communication immediately.

I have claims concerning the United States and have been reporting about them through this whole year of 2025.

I report violations of Claim 7 and Claim 2. The United States is liable for violations of the claims because these are claims concerning the United States. What is the United States going to do about violations?

I myself have enough to deal with the United States and every country of the world.

I declare my rights pursuant my claims.

Part 1 – Monday, September 29, 2025

You have been acting non-mutually, not cooperating, and not facilitating. In so doing, you have been causing me much aggravation, extra work, and to go much longer. You have been making me have to fight against you and everyone else. I am supposed to be rewarded and honored, and I am supposed to be pleased with what I see.

I should not have to fight against everyone or anyone. I should not have to explain any further, and I should not have to go any longer without a sufficiency on the part of the United States and people associated with the United States. I am a good person and a successful person. There is no right to ruin my good traits or my success, including most especially with and concerning the United States.

My claims are long overdue at being advanced. With my claims advanced, of course, the situation would be good for me and with me. That is what I have rights to and expect to see. I have already been through a very long time, so I want to see progress and improvement in the present times. I want to be treated like I am a very important person and be honored as I am supposed to be in regard of my extraordinary societal merits involved.

You at the White House, including Trump and the Trump administration, have not worked out anything yet or paid any of the money due or owed. I have claims concerning the United States. I report violations and a deficiency on the part of the United States resulting from Trump and the Trump administration.

From now on we will take a \$1 million portion of the United States money due me and make a fund of God's Miracle Cross money currency. Each dollar or cross has the value of \$1. Gold or other items are valued according to their value in dollars and crosses. The United States as a nation owes me my \$1 million and the backing of the value of my \$1 million in the form of crosses (God's Miracle Crosses currency), regardless of Trump, the Trump administration or anyone or anything else. The God's Miracle Crosses and Faces currency is not crypto currency and is authentic United States and Universal money – currency, fully backed by government powers and divine life forces according to the values. The United States as a country has a duty to provide its security for functioning and investing of my \$1

million fund and for additional investors from anywhere in the world to invest securely into this universal currency fund. This funded \$1 million is a starting point and declared by law with valid authority concerning the United States. Consider this declaration hereby ordered.

I want my money today. You owe me money. I demand money that is owed and due me. I am supposed to be honored. What about the United States fulfilling some of its responsibilities?

In accord with my claims 2 and 7, I contacted Harvard Law School. You here at the White House and of the Trump administration should have contacted Harvard Law School first on my behalf, but you did not, and I was not going to wait longer. If anyone from Harvard Law School contacts you here at the White House in reference to anything involving me, I request you treat the person respectfully and that you honor everything involved. My materials must be accessible on request, and appropriate communication and functioning must be active. You should have money matters handled and able to be handled adequately concerning Harvard Law School.

Part 2 – Monday, September 29, 2025

I request an accounting of my money the United States owes me. The United States must state at least some of the money the United States owes me and that I would confirm. The money can be considered pursuant to my claims concerning the United States.

With some of my money the United States owes me, I request \$1 million be set for Harvard Law School to work on my S.J.D. degree being bestowed to me. This money has to be immediately set for fees that Harvard Law School has. No money is to be paid to Harvard if Harvard Law School does not do the work involved with me earning my S.J.D. degree from Harvard Law School.

Pursuant to my claim number 4 concerning the United States, I want another million dollars immediately paid to me. I want to get my finances together with this \$1 million. I want to pay off my house. I need a new car. I want to go to a few stores comfortably.

Pursuant to claim number 1, I want \$1 million to be set for expenses with the Republican National Committee as the RNC is working with me to increase the knowledge and awareness of God's Miracle Cross concerning the United States, including through the past more than 30 years.

I also heard that SEPTA (Southeastern Pennsylvania Transportation Authority) needs money right now. I request \$1 million be set aside for SEPTA to advertise God's Miracle Cross on its public transportation vehicles throughout southeastern Pennsylvania. This project will help the United States with claim number 1 in terms of God's Miracle Cross being nationally worked with concerning the United States.

I want another few million dollars to go to claim number 6. I am allocating \$3 million to the United States supporting and promoting healthcare research. Specifically, I want \$2 million to go to regenerative stem cells research, and I want \$1 million to go to regenerative kidney stem cells research.

I want another \$1 million pursuant to claim number 1. I want to sponsor some events throughout the country. Knowledge and awareness of God's Miracle Cross will be increased.

At least \$1 million of my back pay must be immediately paid to me. My professional position concerning the United States has to be straightened out pursuant to claim number 4.

I request the specified \$9 million be set immediately for the purposes I stated and pursuant to my claims concerning the United States.

My claims are not worked through yet. I am not seeing a sufficiency right now. I request communication immediately.

I have claims concerning the United States and have been reporting about them through this whole year of 2025.

I report violations of Claim 7 and Claim 2. The United States is liable for violations of the claims because these are claims concerning the United States. What is the United States going to do about violations?

I myself have enough to deal with the United States and every country of the world.

I declare my rights pursuant my claims.

Request for Contact Information for Education Claims concerning United States

I want to know where I can communicate to actively and functionally concerning the United States. I also express the necessity of the United States working out this situation in a reasonable way because that right intent in a constructive direction is important and necessary for all parties involved, including the United States. I have already abundantly communicated in every direction relevant concerning the United States, but the people of the United States, and including most especially the people associated with the Trump administration, do not have the matters involved dealt with yet and do not even have any active communication present. The Trump administration has no active good faith efforts being made yet when I have provided the Trump administration with important and relevant information since 7 years ago and including actively up to the present times.

I have claims concerning the United States. Two of my claims concerning the United States involve education. I want to know where I can communicate to specifically to work on these education claims. I request a direct communication line. I request specific contact information for me to communicate relevantly about my education claims concerning the United States. I was previously sending information to the U.S. Department of Education. I made requests for improvement of that communication situation, and I made my good faith efforts by sending relevant communication in other directions, such as in this direction, which is to the White House. Now, there is less communication instead of more. There is less communication now as a direct result of Trump and the Trump administration working to shut down the U.S. Department of Education. The U.S. Department of Education is being lessened to points of being completely shut down. Where do I communicate to about my United States education claims? Where can I communicate to now with communication relevant to the U.S. Department of Education? Where can I follow-up with my education claims concerning the United States?

U.S. Education Claims –

(5) University of Phoenix Claim – \$500 million has to be paid to me

(7) Student Loans – Student Loans Defense Number: 01400527 – my approximately \$250 thousand student loans were fully, justly, successfully, and worthily discharged; I have a doctoral dissertation done in 2012 and earning my business law doctorate. I have a post-

doctoral dissertation done in 2019 and earning my business post-doctorate. I have a law edition of my post-doctoral dissertation done in 2024, earning my law doctorate, and have to have secured a doctoral law degree such as an S.J.D. doctoral law degree from a qualified American law school such as Harvard Law School.

I request contact information for my education claims concerning the United States.

Part 1

Dated: January 28, 2025

Donald Trump, Office of the United States President, the White House, and for informational purposes, to the United States, and others relevant,

I am Joseph Mallon. You should know who I am. My professional / official materials have been in your administration's personnel department since 2017 (see DeStefano letter dated June 2017, Volume I, Worthiness of Director Position, [Perspectives | gmcrsswebsite](#) - <https://www.godsmiraclecross.com/perspectives>). My materials and directorship was after 25 years directly involving the United States. My materials and directorship continued through the next years of 2017, 2018, 2019, and 2020 and on to now in 2025, but concerning my areas of official United States involvement, you and your administration did not take care of your end of the United States government functioning. I did my job, though, and was very successful on many occasions through the years. Because your and your administration's end of the U.S. government functions were not completed, I have not been paid yet or honored. I require being paid and honored, and I will not just say about this issue and have to have, as I requested in the past more than once, U.S. Attorneys and/or CPAs to do the work on the finances and laws involved so that the work done is regarded and followed-through with appropriately. To facilitate the process in the summer of 2024, I made claims concerning the United States and sent them in hard-copy form and electronically to the White House. These claims are not worked through yet and are still requiring to be worked through.

My claims are from before your times (quarter-century) in the White House previously, went through your times in the White House (2017-2020), went through the Biden times (2021-2024), and are back in your times since eight years and continuing (your White House times, Biden's White House times, and now your continuing times, which is eight years now and any further time added on in the next four years). You cannot just quickly deal with everything involved because what is involved will not be handled like that. You cannot just not deal with these areas because they will still be present requiring and concerning the United States. These are claims concerning the United States and not just involving you, your administration, any political-oriented person, or political party, and the United States will continue having vicarious liability. These areas are good and best for the United States, but also the United States has to be liable –

accountable, responsible – for what people associated or not with the United States are causing concerning the United States before these areas are secured.

Part 2

I am the discoverer of God's Miracle Cross, which was an authentic miracle I worked with since discovery in 1981. I communicated about this miracle cross to the White House since 1983. I went into law school in 1990 and had all issues come up after 10 years in 1991 during the first Iraq War. I made law cases in U.S. Courts in 1992 and which went into 1993 from the U.S. District Court for the Eastern District of Pennsylvania, to the U.S. Appeals Court for the Third Circuit, and to the U.S. Supreme Court, followed by my own God's Court that I established because I have a God's Miracle Cross (Dist. Ct. Case Number: 92-3242; Apls. Ct., 3rd Cir. Number: 92-1736; S.Ct. Number: 93-5183; and G.Ct. Number: 93-0001). These law cases still have to be completed with them being worked out. They cannot just be not worked out and have to be worked out satisfactorily according to the law involved. This law involved concerns now more than 40 years of rights and interests of people and the United States.

I received my MBA (Master of Business Administration) degree in 2006 from the University of Phoenix. My first published book came out at the same time, Dream Book: From the Book of Dreams (Second edition set as titled, "God's Miracle Cross Dream Book: from the Book of Dreams"). These were the times of the Second Iraq War. I went from the MBA program into the doctoral program. I completed the doctoral program on an A grade (GPA) level in 2012 and including with an excellent dissertation. The University of Phoenix did not do its required work on the doctoral program and left the doctorate unissued and unrewarded, although earned as of in 2012.

Through the next years, more advanced level doctoral work was done and to points of going beyond the bounds of the University of Phoenix to points of post-doctoral work and to the White House in 2017, 2018, and 2019. Student loans were also a national issue in these years. I established and advanced my student loans defense and included the student loans status in director reports I made to the White House. The public's student loans defenses accumulated tremendously, and after years of this accumulation, a class action law case was made in California. The class action law case was not one of my law cases, but I had some involvement because of my student loans defense, which made me a member of the class action law case, (*Sweet v. DeVos / Cardona, 2020, No. 19-cv-3674, N.D. Cal. United States District Court for the Northern District of California*). With my involvement and background, I communicated relevantly to the White House, to the PPSL (Project of Predatory Student Lending), and to the

U.S. District Court in California. This class action law case eventually in 2024, after more than five years, led to the complete discharge of my approximately \$250,000 of student loans.

Part 3

While the national student loans issue was continuing in 2019, I completed my post-doctoral dissertation. I continued making my U.S. Chief Executive Director reports to the White House. I established the U.S. Department of Sovereignty, which was constitutionally based and more than 30 years requiring. Two additional branches of the Department of Sovereignty were set as the Department of Sovereign Services and the U.S. Space Agency. Of course, reports were made to the White House, and funding and staffing were requested also.

The funding and staffing were not followed through with for the Department, and I myself was not even paid any money. I did not receive any pay of my salary, and I did not receive any bonus money, either. No money was worked out for myself or the department. The situation was very difficult like this with there being no money worked out, although requested and when functioning in the modern U.S.A. society where money is extensively used and is very important. I myself and the department continued very successfully through the next years, but the money involved still has to be fully worked out, including officially by United States associated accountants, CPAs, and/or lawyers, as previously said. My original funding request was for my salary that went from more than \$100,000 yearly to up to more than \$200,000 yearly. The department money requested was \$3 billion for the year of 2020 and then accordingly on through the next years. As an additional note, a reasonable amount of debt is not opposed, but too much debt is not wanted or advised. The U.S. Department of Sovereignty continued since 2019 with no debt. Up to now in 2025, the U.S. Department of Sovereignty has no debt and does not owe anything to anyone or any organization or entity. This department is owed significantly right now but does not owe anything.

An additional notation is that I was the director of this department of the United States through the years since 2019, and I thus directed that United States department that has more than \$3 billion in assets. In these assets I am including money owed to the department, which as said previously was \$3 billion after 2020 and amounted to more than \$21 billion after 2024 when I then declared that I would not keep track further by myself and would have to have official United States staff, such as accountants and lawyers do the work.

I then kept working and working in these times of the years of 2020 to 2023. I already had insurance licensing, but now I added on securities. I added on securities licensing of what is called the SIE and then the Series 6, 63, 26, 65, and 7 securities licenses. I still was not dealt with, though, or rewarded, regarded, or honored.

Part 4

At the same time, the University of Phoenix was still continuing with its rather questionable practices, and as was publicly proclaimed by the U.S. Department of Education in the times. I tried to work with the university to straighten out its situation before the university would attempt to sell off the university to another university for \$500 million. The university regarded nothing, did not make good faith efforts to make the university a good product to sell, and continued with attempting to sell off the university for \$500 million to the other university. By the end of this university sale project, I substantially communicated formally about everything involved to the U.S. Department of Education, the PPSL, the university itself, and to the other university. This outcome is what resulted in my \$500 million claim I have against the University of Phoenix, which is one of the claims I have concerning the United States.

After all previously described, I still was not dealt with yet or paid. Out of all the work already done and the long amount of time of years (more than 30 years) gone through, I had to do more and go longer at the end of the year of 2023 and into 2024. That turned out to be too much for me physically and caused a healthcare incident in the first quarter of 2024. This healthcare incident area is the healthcare claim I have concerning the United States.

After adequately continuing recovery, I worked diligently making good faith effort in every direction. I did well with everything I did but still was not dealt with or paid. I went through June, July, and August like this, and in the middle of June 2024 I communicated to the White House about my claims I have concerning the United States. I specifically emphasized that my claims are not concerning a political party or a politically-oriented person but are concerning the United States. I requested that the claims be secured and advanced and that there be people, such as U.S. Attorneys, that work on these claims. I was left there still not dealt with or paid. I had to do more and go longer again.

My doctoral dissertation was done in 2012. I did not receive my doctorate yet. My post-doctoral dissertation was done in 2019. I did not receive my post-doctorate yet. I worked more on my

dissertation, and because I already have in my background so much honorable law work I did, I made my dissertation into a doctoral law dissertation. Now with my law cases from 30 or so years ago dealt with up to date, I can receive just compensations of my lawyer's license and law degrees up to an S.J.D. (Doctor of Juridical Science) law degree from a qualified American law school such as Harvard Law School.

Part 5

I did that doing more and going longer again. This situation is up to the present. I am continuing to mitigate. The situation would be better for all involved and for the United States if I was, and these issues were, dealt with, rewarded, and honored on the appropriate United States levels. I will keep watching along the way further. I will make my statements and reports accordingly. I will stay preservative and open to my claims concerning the United States being secured and advanced. I will keep on as I have been and looking for any rewards and opportunities due me and for me to use accordingly.

Next my claims concerning the United States will follow.

dissertation done in 2019 and earning my business post-doctorate. I have a law edition of my post-doctoral dissertation done in 2024, earning my law doctorate, and have to have secured a doctoral law degree such as an S.J.D. doctoral law degree from a qualified American law school such as Harvard Law School.

Request for Advancement of Money and Professional Position 05-11-2025

Part 1

I request advancement of money involved being paid and my official professional position being recognized. This request is made in regard to my claims three and four of my claims concerning the United States.

Claims

(3) United States Official Professional Position – Must be fully set officially with the United States, and some back-pay or a bonus has to be paid to me

(4) United States Past Debt to Me – Joseph Mallon – payments and arrangements have to be set and advanced in regard of the past more than 30 years of relevant and official work I did, including up to U.S. Chief Executive Director levels

Pursuant to my United States claims three and four, my official executive position with the United States government has to be recognized and at least some money involved has to be worked out.

Part 2

My official United States position since the summer of 2019 has been U.S. Chief Executive Director of the U.S. Department of Sovereignty, which was formally established following the previous more than a quarter-century. My department, the U.S. Department of Sovereignty, has not been paid yet since 2019, so I request some of the department's money be paid for the department to pay expenses, including for staffing, resources, and my own pay.

The following is from the sovereignty department financial records. None of the department's money has yet been paid to the department.

2025 \$5,750,000,000.00

2024 \$5,250,000,000.00

2023 \$5,000,000,000.00

2022 \$4,687,500,000.00

2021 \$3,750,000,000.00

2020 \$3,000,000,000.00

Total = **\$21,687,500,000.00**

Part 3

My pay, which can come from the Department's money, does not have to be paid to me immediately all at once, but the department has to have its money to at least pay me some of my money. Pay that the U.S. Sovereignty Department can pay me is as follows from the department financial records.

As of 12/31/2021 = \$ 553,769.89

2022 = \$207,000.00

2023 = \$233,289.00

2024 = \$257,201.12

Back in the summer of 2024 when Biden, with the Democratic party, and Trump, with the Republican party, were campaigning toward the 2024 U.S. Presidential election and actively having rallies, I also charged a penalty amount of \$500,000 for if this claims area was not adequately taken care of by September 2024, well ahead of any election, but I did not yet charge another penalty amount.

Additionally, for this year of 2025, my pay is set at \$282,981.23.

Adding my pay up totals \$2,034,241.24 . The U.S. Department of Sovereignty can pay my pay but needs its money to be able to pay me my pay.

Part 4

The description for my pay is my claim three, but for claim four, the money owed to me is by the United States itself and has to come from the United States itself, such as by way of the U.S. Treasury. I did a summation to cover the areas, and that is still good for a start and an adequacy. To cover money involved I set for claim four \$500,000 for the 1980s, \$500,000 for the 1990s, \$500,000 for the 2000s first decade, \$500,000 for 2010 and teens of 2000s, and \$500,000 for the 2020s. The total is \$2,500,000.00 .

Part 5

Remember that I am the discoverer of something that involves the United States through all those years and have to be paid in this way, not because of a pay, a penalty, any kind of force, or anything nonmutual, but because of an honor to me involving that discovery as I had my United States involvement. That discovery is in claim one, but this claim four is involving me being honored financially as the discoverer of that societally significant discovery and who most had to do and did work with that discovery concerning everything and anything involving the United States through those years of more than a quarter-century.

I request communication as soon as possible to inform me of the status of my claims concerning the United States. I need somewhere to communicate to, for if I have to or want to, and I need, and request that, at least some of my money be paid to me right away.

Thank you
